Dear Mr Hamill

Wellington International Airport Limited (WIAL) Submission on the Revised Draft Information Disclosure Determination Paper

WIAL has reviewed the Commerce Commission's Information Disclosure (Airport Services) Consultation Update Paper and Revised Draft Commerce Act (Specified Airport Services Information Disclosure) Determination 2010, released on 11 October 2010 for technical consultation.

We appreciate the opportunity to submit on the issues set out in the above papers, however, WIAL will not be submitting a separate submission. Instead, to avoid duplicating submissions, we ask the Commission to treat the New Zealand Airports Association submission, to which WIAL is a party, as WIAL's submission also.

Yours sincerely

Martin Harrington
