Auckland 1149

Dear Allan

**Insurance premiums and amendments to disclosed data**

I refer to your letter of 15 September 2011 in which Vector requests an extension to our deadline for providing revised information supplied in response to s 53ZD notices issued on 16 March 2011.

As you are aware the deadline for providing any revised information is 5 pm 19 September 2011. We set this deadline to ensure that we can sufficiently consider any revised information that we are provided, including seeking advice from our external advisors, before the statutory deadline of 20 October 2011 to make our decision on resetting the 2010-15 default price-quality path.

To have assurance that we will be in a position to fully consider any revised information, electricity distribution businesses must provide this information by the deadline. We may not be in a position to sufficiently consider information received after that deadline for it to be fully reflected in our decisions.

We are available to discuss ways in which Vector can supply its revised information in a manner which may provide some opportunity for the Commission to consider the revised information in its decision making process. Any questions on matters raised in this letter can be directed to Anthony Merritt on [anthony.merritt@comcom.govt.nz](mailto:anthony.merritt@comcom.govt.nz) or (04) 924 3667.

Yours sincerely

Sue Begg  
Deputy Chair
