Wellington

Dear Douglas

**Cross-Submissions in respect of Commerce Commission's Draft Determination on the Application for Pricing Review for Designated Interconnection Services**

1. Please find attached Telecom's cross-submissions in respect of the Commerce Commission's draft determination on the application for pricing review for designated interconnection services.
2. Telecom has not designated any information Commission Only or Telecom Restricted Information. There is one piece of Commerce Commission Restricted Information, so designated because it comes from the model.

Yours sincerely
