**Investigation into Mobile Termination Access Services – Timeframe for submissions on undertakings**

On 6 November 2008 the Commerce Commission (“**the Commission**”) commenced an investigation under Schedule 3 of the Telecommunications Act 2001 (the “**Act**”) into whether or not mobile termination access services should become regulated services under Schedule 1 of the Act (“**MTAS Investigation**”).

On 15 January 2009, the Commission announced that five undertakings had been received under Schedule 3A of the Act, and sought submissions on the undertakings by 5 February 2009.

In a letter to the Commission, on 19 January 2009, Vodafone requested that the Commission consider extending the deadline for submissions on the undertakings to Friday 13 February 2009, due to a concern that the period for submissions does not provide sufficient time to consider and adequately comment on the issues raised by the undertakings. The Commission has considered this request and considers it to be reasonable in the circumstances.

The Commission has therefore extended the deadline for submissions on the undertakings to **Friday 13 February 2009**.

The Commission has also updated the indicative timeline for the MTAS Investigation, which is available on the Commission’s website at <http://www.comcom.govt.nz/IndustryRegulation/Telecommunications/Investigations/MobiletoMobileTermination/mobiletomobiletermination.aspx>
