Dear Osmond

**RE: INVESTIGATION INTO MOBILE TERMINATION ACCESS SERVICES (MTAS)**

Thank you for your letter of 7 April 2009 acknowledging receipt of my letter of 3 April 2009 and advising of the timeframe within which the Commission will substantively respond to that letter.

Vodafone understands that it can be difficult to respond to important matters and complex issues within a limited time frame. As you will appreciate, Vodafone has itself, on occasion, found itself in need of additional time to respond to the Commission's requirements and deadlines.

In relation to your question regarding confidentiality, I am pleased to confirm that there is no confidential or restricted material in our letter of 3 April 2009. We have provided copies of the letter to the other access providers in this MTAS Investigation. Clearly, the issues raised by Vodafone affect them as well.

Yours sincerely,  
**Vodafone New Zealand Limited**
