Wellington

10 September 2008

Dear Mr. Borthwick,

Please note that the information contained in this letter, particularly in relation to information regarding contractual agreements that Teletraders (NZ) Limited ("Teletraders") has in place, is commercially sensitive. We request that you keep this information strictly confidential and use it only for the purposes of assessing Teletraders' eligibility as an "access provider" and/or "access seeker".

LOCAL NUMBER PORTABILITY SERVICE - Request for Access Seeker and Access Provider Status

Teletraders intends to launch wholesale and retail fixed-line voice services in Auckland, Wellington, and Christchurch in November 2008. Teletraders' voice services are delivered over Teletraders' IP PSTN network.

Teletraders has signed an interconnection agreement with Telecom New Zealand Limited, and is in the stages of testing these interconnection arrangements at present.

Teletraders has also been assigned number ranges in Auckland, Wellington, and Christchurch under the Number Administration Deed ("NAD"), to which it is a party.

Teletraders therefore applies as an access provider and access seeker under the Local Number Portability Service.

I look forward to responding to any questions you may have about this application.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Will Maxwell-Steele".

Will Maxwell-Steele
Operations Manager
Teletraders NZ Limited
