Auckland

By Email: tristan.gilbertson@telecom.co.nz

Dear Tristan

I refer to your letter of 10 November.

The Commission is disappointed that Telecom, having considered the matters raised in my letter of 6 November, has determined the comments it has made are accurate, and does not intend to retract them.

The Commission does not intend to make further comment, but in the interests of transparency will place this correspondence on the Commission's website.

Yours sincerely

Dr Ross Patterson
Telecommunications Commissioner

Encl.
