**Mobile Co-location Standard Terms Determination: Updated Timeline**

On 9 June 2008, the Commission issued an indicative timeline for the Mobile Co-location STD process. In that timeline, the Commission indicated that the draft STD would be released on 31 July 2008 and that a conference would be held on 2 October 2008.

The Commission now intends to release the draft STD for the Mobile Co-location Service on **Friday 25 July 2008**. Therefore, the Commission has revised the indicative timeframes for the remainder of the STD process.

The following table provides revised dates for each of the remaining tasks in the standard terms development process.

Task	Start date	Duration in working days	End date
Parties submit on draft STD	28 July 2008	20	22 August 2008
Parties cross submit on draft STD	26 August 2008	10	8 September 2008
Conference	9 October 2008	1	9 October 2008
Commission prepares final STD	10 October 2008		Mid-late November 2008

Please note that the conference is now scheduled for **Thursday 9 October 2008**. The Commission intends to release a paper prior to the conference outlining a number of key issues for discussion.

Yours sincerely
