Please find enclosed Vodafone's response to the Commission's notice dated 8 February 2008, served pursuant to section 30F of the Telecommunications Act 2001, requiring Vodafone to submit a standard terms proposal ("**STP**") for the specified service described in the Act as "Co-location on cellular mobile transmission sites" (hereafter referred to as the "**Mobile Co-location Service**").

Please find enclosed the following documents which form part of Vodafone's STP for the Mobile Co-location Service:

1. Submission;
2. Mobile Co-location General Terms;
3. Mobile Co-location Service Description
4. Mobile Co-location Service Level Terms;
5. Mobile Co-location Operations Manual;
6. Mobile Co-location Access Terms;
7. Interference Management and Design; and
8. Mobile Co-location Implementation Plan.

Vodafone confirms that its STP does not contain any confidential information.

The information provided in response to the Commission's notice of 8 February 2008 is provided only for the purposes of the Commission's determination in respect of the Mobile Co-location Service.

If you have any queries in relation to Vodafone's STP, please feel free to contact me on 021 882 429.

Yours sincerely
