Subject: Business New Zealand MTR letter 24th May 2010

Dear Mr Kinley,

The organisation I represent is a member of Business New Zealand. I wish to advise that the position maintained by our organisation is at odds with the statements issued in the Business New Zealand letter of 24th May regarding the draft reconsideration report on Mobile Termination. We believe regulation is required to correct what can only be described as market failure in the area of MTR.

Kind Regards,

Pat O'Connell
