Dear Jason

Decision 582 para 208: Adjustments to the Bitstream Access Price

Your letter dated 25 September 2006 regarding the quarterly adjustment to the bitstream access price as at 22 September refers.

The Commission approves the adjusted price, as calculated by Telecom, of \$27.76 per month (excl GST). This price is effective from 22 September 2006.

In approving this adjusted price, the Commission has taken into consideration all supporting information provided by Telecom, and submissions made by ihug and CallPlus to the extent that they relate to the quarterly adjustment to the bitstream access price.

Yours sincerely
