Airport Services Input Methodologies Amendment Determination 2026

Under section 52W of the Commerce Act 1986, the Commerce Commission makes the following determination:

1. Title

- 1.1 This determination is the Airport Services Input Methodologies Amendment Determination 2026.

2. Commencement

- 2.1 This determination comes into force on [X date].

3. Interpretation

- 3.1 In this determination, unless the context otherwise requires—

principal determination means the Commerce Act (Specified Airport Services Input Methodologies) Determination 2010, decision number 709, as previously amended.

4. Determination amended

- 4.1 This determination amends the **principal determination**.

5. Principal determination amendments

- 5.1 In clause 5.2(1) of the **principal determination**, replace “23%” with “29%”.
- 5.2 In clause 5.6(1)(c) of the **principal determination**, replace “0.0169” with “0.0202”.
- 5.3 In clause 5.6(2)(c) of the **principal determination**, replace “0.0169” with “0.0202”.
- 5.4 Replace the example text beneath clause 5.6(2) of the **principal determination** with the following text:

“Example: if the disclosed estimate was 6.00% and the mid-point estimate of WACC was 5.00%, Z would be 0.50. The cumulative area under the standard normal distribution, obtained from a standard normal distribution table, for a Z-score of 0.50 is 0.6915, so in this example the disclosed estimate would be approximately equivalent to the 69th percentile of the Commission’s WACC distribution.”

Explanatory note

This note is not part of the determination but is intended to indicate its general effect.

This is secondary legislation issued under the authority of the Legislation Act 2019 .
