Dear Peter

Suburb of the Future Stage 1: LV Network Lab

We are writing to amend our INTSA application for the “Suburb of the Future Stage 1: LV Network Lab” project.

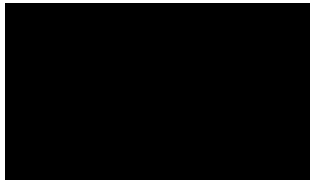

We request the Commission instead consider our amended applications outlined below.

Suburb of the Future Stage 1.1: LV Network Lab	Forecast cost recovery: 100%
Work package	Requested funding
Work Package 1: LV Visibility and Capability	\$3,400,000
Work Package 4: Project Management and Learning Dissemination	\$100,800
Total costs applied for	\$3,500,800

Suburb of the Future Stage 1.2: LV Network Lab	Forecast cost recovery: 75%
Work package	Requested funding
Work Package 2: LoRaWAN	\$45,000
Work Package 3: Data Management	\$750,000
Total costs applied for	\$795,000

We consider the information provided in our original application (and the follow up letter responding to the Commissions questions) are sufficient for the Commission to assess our amended applications.

Yours sincerely

Richard Sharp
